

Splash! Costume List

We have put a list of the costumes below that we would like the children to wear if possible. Please use them as guidelines. If you know you have something that another character requires then feel free to bring that in at the beginning of the new term. We will pop to Aladdin's costume shop to look for seagull crew outfits next week. We would like children to have their costumes in school on the first day back if possible so we can start to sort those that cannot find anything.
